## WELCOME TO PREMIER COMPLEX AAU COMPETITIVE SEASON

Athletes in the New Richmond Stars and Clear Lake Pre Team and Earth non-compete team will start competing AAU in January of 2023. They are not required to compete but have the option. We will need a **minimum of 5 athletes** to have a coach on staff for each meet. All fees are non-refundable after we have 5 athletes signed up. If 5 do not sign up we will return the fees.

In order to compete at the AAU State Championship, the athletes will need to compete 2 sanctioned AAU meets before. Any athletes planning to travel out of state for the regional and national meets will need to make their own transportation and hotel plans on their own. PCG will provide all links and information to the meets by sending emails to all registered AAU athletes and they will also be posted on the website under the AAU tab. This printout will also be linked there.

Website AAU Tab: <https://premiercomplex.com/aau-gymnastics.html>

We welcome all our team athletes to compete in the AAU circuit of gymnastics, this includes past adult athletes that may want to compete again. We look forward to a successful fun season of AAU again this upcoming year. If you have any questions please send an email to [dianne@premiercomplex.com](mailto:dianne@premiercomplex.com)
